2017 SPORT PROGRAMS: YEAR 4

2 February 2017

Dear Parents/Caregivers

As part of the Physical Education program, Lane Cove Public School engages qualified sport instructors to provide lessons in different sports. On Thursdays in Term 1 2017, Year 4 will participate in 40 minute AFL sports leadership lessons provided by FlipSport. In Term 2 all students in Years 3-6 will participate in one hour athletics lessons run by FlipSport, building on the skills learned in the 2016 program. FlipSport has delivered part of the school sport program since 2004 and evaluation by students, staff and parents has been extremely positive.

Year 4 AFL sports leadership lessons will be held on Thursdays in Term 1, beginning on Thursday 9 February 2017. Students will learn skills, rules and teamwork roles for AFL and other ball sports in preparation for participating in Friday sport. While learning these ball skills, FlipSport staff will teach students about leadership, equipping the Year 4 students to take on leadership roles in the school, including Kindergarten sport later in the year. Students are required to wear their sports uniform each Thursday in Term 1 for AFL lessons. The day for athletics lessons will be notified by class teachers before Term 2.

The cost of the AFL program is $50.00 and the cost of the athletics program is $50.00. Payment for each of these sport programs will continue to be included on the term invoice sent to families early each term. If you experience difficulty in forwarding payment by the nominated date, please contact Ms Ackroyd to make alternate arrangements. You are asked to indicate permission for your child to participate in both programs now, however you will pay for each program in the term when it occurs.

PLEASE DO NOT SEND PAYMENT WITH THIS PERMISSION NOTE.

Please complete the permission note below to indicate permission for your child to participate in these sport programs. The permission note should be returned to your child’s class teacher by Friday 17 February 2017. All students will attend the first two lessons but will not be permitted to attend further lessons until a signed permission note has been received. As the school has responsibility to cater for all students, those who do not return a permission note will be involved in an alternative program conducted by Lane Cove Public School teachers.
