School Activities at Pottery Green, Lane Cove Library, Lane Cove Plaza, Kamilaroi Retirement Village

At various times during the school year, specific grades, classes or students may walk to Pottery Green, Lane Cove Library, Lane Cove Plaza or Kamilaroi Retirement Village for a variety of sporting, musical or English activities. The activities will probably be isolated in nature rather than on-going.

This permission note will allow students to be involved in such activities without an individual permission note for each occasion. Appropriate teacher supervision will be in place for any activities outside the school.

Please be assured that this note does not suffice for activities such as school athletics/cross country carnivals or swimming carnivals. Specific permission notes are essential on these occasions.

You are requested to complete the permission notes below. This will simplify planning and organisation.

If you require further information please see class teachers or grade coordinators.

Christine Scully
Deputy Principal

Gemma Ackroyd
Principal

Pottery Green

I give permission for my child ____________________ in class

to be involved in class or grade activities (excluding special events) at Pottery Green as required in 2017. I understand appropriate teacher supervision will be in place for such activities including walking to and from the venue.

Signed ________________ parent/carer Date
