Dear Parents/ Caregivers,

Be a part of the action on Friday 17th March (week 8) by leaving the car at home. Walk, ride, skate or scooter all or part of the way to school.

National Ride 2 School Day is an initiative to get more students to walk, ride, skate or scooter to and from school safely and responsibly. This day aims to improve the health of students by increasing physical activity and encouraging students to choose an active way to travel. Deciding to walk or ride is a healthy choice for the environment and an opportunity to reduce our carbon footprint.

To remember:
- All Children must wear a helmet if they are riding, skating or scootering.
- There will be designated areas for students to leave their bikes and scooters behind the Year 2 building (Osborne Park building) in the top playground. Bike locks are recommended.
- Each year group will have an allocated spot to park their bike or scooter.
- Please attach a tag with your name and class onto your bike or scooter.
- Be considerate of the local community and push bikes through Lane Cove Plaza and across all zebra crossings.
- Children under the age of 12 are allowed to ride on the footpath along with accompanying adults.
- Stay on the left and give way to pedestrians.
- Please dismount the bike or scooter once you are inside the school grounds and enter through the front gate on Longueville Rd after 8:30.
